

# Tentative Calendar for the 2024-2025 School Year

Playing classes/workshops, soirees, recitals and parties (!) are an important part of my program. Students are encouraged to attend and perform. **Please mark your calendars with these dates and let me know as soon as you can about potential conflicts.** If enough students need a different day/time, I will work to make changes to the schedule (which is why this calendar remains “tentative” all year). Thank you!
